

S. MINEKISHI OFF FOR JAPAN

Will Represent Japanese Merchants' Union in Mikado's Kingdom.

S. Minekishi, the well known Japanese citizen of the Island of Hawaii, leaves today on the Gaelic for Japan, as the representative of the Japanese Merchants' Union of Hawaii. He will be absent for about three months, during which time he will look after the interests of the union, which has for its object the commercial advancement of the Japanese business men here.

Mr. Minekishi is a notable figure in the Japanese community, and is one of its moving spirits. He has been a resident for some years of Oahu and Hilo. During the reign of Queen Liliuokalani Mr. Minekishi came to Hawaii in the suite of the Prince of Ponape, in whose small South Sea Island dominion he had been a resident. The party was well received here, and Hawaii's charms were sufficient to cause Mr. Minekishi to make his home here. He was educated at the University of California, and afterwards settled down in the Islands.

Among the Japanese Mr. Minekishi has acquired considerable prominence by reason of his vocal talents, and he is always in demand at social gatherings of his countrymen.

PUTNAM'S HEALTH PILLS

A Boon to People Living
in Tropical Countries.

No white people are natives
of tropical countries. Many
physicians claim the tropics un-
suitable for the white race.
Why? Because the climate is
enervating. You get run down,
the liver becomes sluggish, the
blood is impoverished, boils and
pimples break out, you are ner-
vous and irritable, and a gen-
eral feeling of being "out of
sorts."

Putnam's Health Pills are
made especially for this class
of ailment. They wake up a
sluggish liver; they make rich
red blood; they remove that
languid feeling, and tone up the
whole system. There isn't the
least question of their being the
best tonic pill in the world. If
they don't benefit you, your
money back. Therefore, with
such a guarantee, why delay the
treatment? Get them today
and receive the benefit they will
afford at once.

Price 50c., 6 for \$2.50.
